President of M.R.A.C.

Dear Russ:

Having completed twenty years as a member in good standing, I hereby apply for "Lifetime Membership" in the M.R.A.C. It has given me great pleasure to have been associated with this great organization these past two decades, and it is my personal hope to continue in a more active capacity in the organization in the future.

As a matter of record, I became a member of our club in October, 1941, and I have paid my dues regularly since that date. I will make every attempt to attend "Old Timer's Nite" on December 27th. Thank you for calling me on this matter, Russ.

Best Regards and
